

QUOTES ANTHONY GOMES

"Hendrix on crank guitar phrasing... all the soul of Otis Redding and the swagger of Steven Tyler. Anthony joyfully blends the distinction between blues and rock."

- Blues Rock Review

"Equal parts down home blues and hard rock."

- Vintage Guitar

"Gomes is a power player who is at his best when his gear is in the scorched earth between blues and rock. After all, it's the electric guitar; sometimes tickling it is not enough."

- Guitar World

"A very talented guitarist... and where did that voice come from?"

- B.B. King

"Gomes takes modern blues way beyond the established points and sets the new high water mark for the genre. Gomes' blues rock hits the heights and delights. Killer stuff."

- Midwest Record

"Anthony Gomes is a serious mojo mofo."

- City Weekly

"Gomes' authentic voice and the formidable guitar chops place him in the forefront of modern blues."

- Blues Music Magazine

"Trademark mesmeric guitar riffs and incendiary solos, a serious student of the blues..."

- Blues Matters

"One of the top 10 guitarists in the world."

- Music Tasters Choice

"Anthony Gomes sounds like he's determined to maintain his place in the top tier of the blues/rock world and High Voltage Blues should do the trick for him. It's an outstanding effort that vibes like he's just getting started. Highly recommended."

- Rock and Blues Muse

"Above all, Gomes is living proof that blisteringly good guitar music is alive and kicking!"

- The Bucket Playlist
